

PREPARING FOR CANADA DAY

The completion of another school year is approaching and if you have children, now is the time to prepare for all of the end-of-the-year paperwork that is sure to arrive at your doorstep over the next few weeks, says *Home Digest* Organization Editor Hellen Buttigieg.

Purchase a banker's box or a plastic tote that can accommodate hanging files and label one file for each school year. Ask your child to pick their favourite artwork, stories, etc., and file them under the corresponding year. You can also keep report cards and certificates in this file.

Not only will you have a place to keep school memories preserved for years to come, you will also be teaching your child valuable filing skills. 🍁
