

# More than Fences

The latest news from Roma Fence is that the company has expanded its product line. Founded on principles of honesty and integrity, Roma Fence has been proudly serving the community since 1969 and has built a reputation that has earned the respect of fence professionals, local landscapers, developers, municipalities and the general public.

Roma Fence now carries a full line of fence accessories to beautify the home. This includes natural stone tiles and planters, marble mantles, spa and pool privacy screens, PVC mailboxes, arbours and related products.

As well, it also now distributes and warranties Acculink Fence and Wire, a high-quality ornamental iron and chain link mesh, manufactured locally in Brampton, Ont.

Roma Fence has five locations to serve the public and two manufacturing divisions. Its friendly, knowledgeable staff is able to guide you through your cash-and-carry or installed fence project smoothly and with a smile. 🍁
